21st February 2010

Dear Chairman and Club Members

A Night At The Races

A couple of us got together and decided to run a night at the races to raise a few pounds for Sharon Neill. I appreciate that you all probably have already donated to her and unfortunately others too.

During the 2010 race season Sharon would like to go to the Races which Timmy is competing in, but, would like to keep Andrew's race van on the road and use it as her bolt hole when things get tough and also it beats sleeping in a tent, so for this reason we have organised this event.

We are holding A Night At The Races in the British Legion Club in Dungannon on Saturday 20th March commencing at 8pm. Admission will be £5 which will include entry into a free draw and light supper. Following the races we will finish the night off with music by Keith McAree.

As we want to advertise this event as widely as possible I would be very grateful if you would include this with your correspondence at your next club meeting.

Everyone will be very welcome at this event or if anyone would like to make a donation please get in touch.

Many Thanks
Yours in Sport
Roberta McKeown
